

SOBHI MALAK

TRANIEE

PROFILE

I am dedicated to creating beautiful and effective solutions that meet client needs. With a background in hotel and restaurant management, I bring a strong customer service focus to all my work, and my project management skills enable me to successfully manage projects from concept to completion. As a certified Job and Life Coach, I also have the ability to effectively communicate with clients and team members, and provide guidance and support as needed. With my passion for AI engineering and frontend development, I am excited to contribute meaningfully to any project in this area.
